

# **POLICIES**

## **Ka-Fe Coffee Co. Farmers Market**

### **Introduction**

The Farmers Market aims to provide small to medium businesses to have an opportunity to present their goods and or services and develop a dedicated client base. We aim to present this opportunity to agricultural goods and services and businesses that make handmade/ homemade products.

This specifically prohibits the sale of imported or mass-produced products.

All lude products, regardless of being presented in art form of not, is prohibited.

All vendors must send a list through, to the email provided above, of the products they will be selling. They also need to sign the Application document that they understand and have read through the policies regarding and applicable to the Farmers Market.

### **Need to Know:**

1. The space for each stall will be 4 meters by 4 meters.
2. R350.00 non-refundable payable in advanced to secure your space for a stall for one consecutive Saturdays.
3. R600 non-refundable payable in advanced to secure your space for a stall for two consecutive Saturdays.
4. All fees can be made via the below banking details. Please send proof of payment (POP) to the email or contact number provided above.
5. No electricity will be provided.
6. Generators are prohibited. Portable solar inverters and gas-driven equipment are allowed, provided that they are silent and not visible from the main pathways. Any and all equipment should be in compliant with relevant laws, regulations and safety standards.
7. Ka-Fe Coffee Company reserves the right to not extend the hire agreement and prohibit the sale of any products not explicitly stated on the application form.
8. Prospective vendors can and are encouraged to visit the grounds in person to inspect the space they aim to occupy.
9. Tables, gazebo's, chairs and/ or any other relevant peripherals are not provided by the ground's owners, but exclusively by the vendors.
10. Vendors are allowed to put up their own marketing material within the parameters of their stall and not outside the border of the 4 by 4 meters.
11. All vendors are responsible to ensure they comply with the relevant laws and regulations.
